ABOUT ME

I am a student at Nusantara Islamic University majoring in informatics engineering, I have skills in web development. The technology stack I currently work with includes HTML, CSS, Javascript, Bootstrap, PHP, Laravel, Mysql, and Basic Github. I also have skills in Photoshop and Premiere Pro. I want to make a positive contribution to the company with the experience I have.

ORGANIZATIONS

- Management of the PMII (Indonesian Islamic Students Movement) Organization, Faculty of Engineering, Media and Technology Division (2022-2023)
 - Management of the Student Association of Informatics Engineering, Student Affairs Division (2022-2023)
 - Member of the Cianjur Kidul Student Family Organization (KARMAPACK)
 - Member of the Nahdlatul Ulama Teachers Association (PERGUNU)
-
